

**Laclede County Route 5
Osage Fork River
Bridge Replacements
Public Hearing, Oct. 16, 2012**

Welcome!

The purpose of tonight's hearing is to gather public input about plans to replace the Route 5 bridges over the Osage Fork of the Gasconade River south of Lebanon.

This is an open house event. MoDOT staff is here to assist you and explain various aspects of these projects.

As you move through the displays, please share your questions and comments with us. Your input is very important.

For more information, contact us toll free at 1-888-ASK –MoDOT (888-275-6636) or visit us on the web at www.modot.org/central.

Thank you for your participation.
